WHAT DOES GOD SAY ABOUT...

WORKING ON THE SABBATH (PART 1)

This month, we're going to be looking into what God has to say about a few topics that we all face and deal with. Come back each week to see what God has to say!

The observation and remembrance of the Sabbath is one of the Ten Commandments meaning it is very important. "Remember the Sabbath day, to keep it holy" (Exodus 20:8). God wants us to only work for 6 days and to rest on the 7th day. God was able to create the heaven, earth, sea and everything in this world in 6 days and rest on the 7th day. Since we are not God we cannot do more than him so we must surrender, put our trust in the Lord and allow him to provide for us on the 7th day. "But my God shall supply all your need according to his riches in glory by Christ Jesus." (Philippians 4:19) The Sabbath also represents respecting the time God delivered the Israelites from slavery in Egypt. On that 7th day we should not only rest and enjoy ourselves but we must remember to keep it holy. Do not commit sin on this day but delight in the lord and delight in yourself. The Sabbath is very important to God. God wants to bless us with his sabbath. The Sabbath is a 24 hour time period without anxiety or "have to do's". This is a day assigned for men to be blessed by God so that they can be refreshed and refueled. On this day men are suppose to give their all to God for a 24 hour time frame. "And he said unto them, The sabbath was made for man, and not man for the sabbath" (Mark 2:27) God made the Sabbath for us so that we remember who is in control and who provides all of our needs. God works hard to answer our prayers so that we don't stress out, so sit back relax, enjoy and thank him in advance! - Brianna Michael
