\_\_\_\_\_ Can See God & \_\_\_\_\_ - Exodus 33:20

Sometimes we hear phrases or sing songs that gives God physical attributes like "He's got the whole world in His hands". We know that God does not have hands. But using metaphors, help us understand the greatness of God in ways we couldn't understand before. Our knowledge is limited compared to God's Majesty!!

Let's Read Romans 1:20

We can see God through His creation! He has left proof of His existence through everything that we see around us, so we have no excuse not to believe in Him.

Let's Read John 14:23

The night before Jesus died, He told His disciples that He would go to the Father but would return through His Holy Spirit. He said the 'we' (the Father and Him) would come to us and make their home within us. We are not God, but we are the visible proof of an invisible God.

1 Corinthians 12:27

God's Plan from the beginning was that people would become the visible demonstration of who God is and what He does. God wants to reveal Himself through us!

John 13:35

1 John 4:12
